

FLYING IRISH DANCE TROUPE

Show & Feis Info

Strive for Success:

- Strive to attend all classes; make up missed classes
- Keep a dance notebook with a practice log
- Take summer classes
- Take at least one private lesson/month

Feis & Showtime!

- Attend all classes the TWO weeks before the event.
- Quietly stretch or dance on your hands while waiting your turn to perform.
- When one routine/competition/team is onstage, the next one is lining up.
- Do not touch ANYTHING backstage. Backstage areas are not child or costume-proof and may have hidden sharp objects. Playing with curtains, fringe, etc. may be seen by others and disrupt the event.
- Dancers who commit to an event will have team members relying on them to attend. Dancers who drop out of an event may be replaced in their group routines and/or not included in the next opportunity.
- No cellphone/ipad use before a show or while waiting to compete (except to play music).

Manners:

- Keep dance shoes on while in the performance area until you are cleared to return to the dressing area (i.e. all photos and meet & greets are done).
- Behave in a courteous manner at all times.
- No fooling around or other loud or disrespectful behavior.

Safety:

- Use the buddy system when leaving the group's waiting area at shows.
- Tell an adult chaperone/senior dancer when you leave the group area.

Dress Code:

- Flying Irish team tracksuits must be worn to all events.
- Family & friends who will be in a show's audience must dress neatly. Track jackets & FI tees are encouraged to show your support of the school.

Call Times:

- Dancers must arrive at least 45 minutes before the scheduled performance start time.
- Dancers must be in full makeup, hair & costume 30 minutes prior to the start of the performance to have time to stretch and prepare your dances.

- Dancers who arrive later than 30 minutes prior to show start may be removed from the certain routines or the whole performance.
- Competitors must arrive at least 1 hour prior to their scheduled start time (arrive when the doors open for the first competitions of the day).

Costumes:

- Team costumes are required for all performances and team competitions.
- Solo dresses/vests may only be worn by Champion competitors. The hairpiece worn with a solo must compliment the dress.
- All solo costumes MUST be approved prior to purchase to ensure that it fits and is suited to the dancer's look and level of dancing. Solos that have not been approved cannot be worn.
- Stud earrings ONLY: clear rhinestones for team costumes, matching ones for solos. Adults may wear engagement & wedding rings.
- NEVER touch another dancer's costume. Each one is hand made.
- Do not eat or drink anything (other than water) in your costume without a cover-up on.

Shoes & Socks:

- Shoes must be polished before each event.
- Gaffer's tape may be worn at events with slippery stages (applied neatly on the edges of the shoes).
- Poodle socks must be held up with adhesive.
- Often dancers need to carry their shoes away from where their gear is stored. To keep shoes from being lost or accidentally picked up by another dancer, shoes must be carried in a Flying Irish drawstring bag embroidered with the dancer's name (and last initial if a common first name).

Hair:

- Team bun covers must be worn with girl's Prime outfits. Full wigs may be worn by older dancers with the team dress or a solo dress. All wisps must be slicked back with hair product and/or bobby pins so that no stray hairs escape.
- Dry shampoo helps hold soft hair in a wig.
- Bun covers need to be replaced every 1-2 years. Frizzies must be clipped to keep the hairpiece looking neat.
- Shower caps should be worn over bun covers in the rain.
- Adults are to wear a top ponytail with the team hairbow.

Make up:

- Make up must be worn at all performances & worn in competition for dancers over age 12. (U12 dancers may not wear make up in competition.)
- Stage make up is sweat-proof and is recommended in hot venues or those with professional stage lighting. Wear HD foundation.
